Iron Decor and More

Handmade Products from Mexico for Your Home & Garden!

Welcome!

~ or should I say "Bienvenidos!"

Selling hand-crafted Mexican imports since 2001 – Iron Décor and More started as a little retail store with only 400 square feet. My little store continues today but now with over 145 wholesale customers. Your customers will love this stuff! It's unique, hand-made and FUN!

This is Fun!

POTTERY – BUY IT BY THE PACKAGE

Each year I assemble a selection of hand-crafted pottery with a mixture of WALL SUNS, ANIMALS and PLANTERS. Each year the selections vary but similar and some items are the same. If you would like more than one package or you want a different mix, let me discuss with you some options. I can hand select a package just for you. If you have need of a large order, let's fill a pup and save big!

Understand Mexican pottery. – "DRY" items, those items you do not plant in, will last longer. "WET" items or planters and items used as fountains will breakdown. The pottery is not glazed but hand painted. Like a standard clay pot, water will come through the pot and remove the color. I recommend planting inside a plastic liner for resistance.

IRON – BUILD YOUR OWN PACKAGE

All items are hand-made one at a time often from recycled materials such as barrels or cars. Pallets or crates are about 85" tall, 40" by 48" wide. Select a mixture of large and small items so you get the most out of your shipping dollar. Small items often fit inside large items. YOUR FREIGHT IS NOT CHARGED BY WEIGHT so pack it full! Pick out 50 - 60 items of various sizes and I will be assembling your order in Omaha, Nebraska. If some of the items do not fit in the pallet (s) you selected we can discuss over the phone what you would like to do. But extra space is money you are losing! Fill it up!

PAYMENT PLAN – SPRING DATING

A $600 deposit per pallet or crate is due at the time of your order. When your order is ready for shipping, the cost of shipping must be paid in full before your order is sent. The balance remaining is due before June 15th. Special arrangements can be made for extra large orders or special needs.

THIS IS FUN! YOUR CUSTOMERS WILL AGREE!
THIS STUFF SELLS ITSELF!
Thank YOU for YOUR order today!

CHIMINEA PACKAGE

A pallet will hold 4 large Chimineas and 4 small Chimineas. Fish are optional – let me know how many you would like in your order. I can also ship you a semi or pup load – SAVE BIG

MEXICAN CHIMINEAS

Large - 42H x 20L x 20W
Small - 36H x 16L x 16W
Fish - 36H x 14L x 20W

Each Chiminea is in a metal decorative stand for extra durability and appeal.
Fish Chimineas not included.
Colors and styles vary and are not guaranteed.

How To Use A Pottery Chiminea

Put 3" or so of sand or pea gravel in the bottom of your Chiminea. Start a small or slow fire inside to let the Chiminea warm slowly to reduce the chance of cracking due to the heat contrast. Always place your Chiminea in a sturdy, safe place and away from children.

Enjoy!
